## Message of Group Chairman Sky View Foundation ( A Concern of Sky View Group)

The establishment of AICHI MEDICAL COLLEGE has given me an immense pleasure. Health-care is a fundamental need of every citizen as like as food, clothing & shelter. Now a days the private sector has come forward along with the public sector to meet the prevalent standards of health-care in the developing countries. We are determined to develop more in this sector basing on our experience and are trying our best for turning over this institution into a centre of excellence. We are hopeful that with the co-operation of our well wishers we will be successful within a short period of time.
